REMARKS

Applicant wishes to thank Examiner for allowance of claims 1-4 and 11-56 and the conditional allowance of claims 5-10 if rewritten to overcome the rejections under 35 USC 112, 2nd paragraph.

Claims 5-10 are rejected under 35 USC 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicant has amended claim 5 as recommended by Examiner to recite a range of from "greater than 0% to about 50%".

Further Applicant has amended claim 5 to change the dependency to claim 1 in which the corrosion inhibitor is first introduced.

Applicant has amended claims 6-10 to change the dependency in each to be dependent from claim 2, as suggested by Examiner.

Applicant believes that claims 1-56 are in condition for allowance. Reconsideration and allowance of the claims now on file is respectfully requested.

Respectfully submitted,

Date: Dec 19/06
